

MIT Joins Marathwada Auto Cluster

Mr.Munish Sharma, Director General MIT handing over cheque of Rs.5 Lacs to CMIA Auto Cluster Committee Chairman, Mr.Mukund Bhogale, CMIA President Mr.Sacheen Mulay, Hon.Secretary Mr.Ashish Garde, Past President Mr.Umesh Dashrathi, Mr.Mukund Kulkarni, Prof.B.N.Kshirsagar

With the allotment of 5 acres land at Waluj MIDC area the work for creation of Marathwada Auto Cluster is right now in full swing. Many potential stakeholders are coming forward for their direct and active participation in this prestigious project involving Public – Private – Partnership.

Apart from industries Academic institutions from this region have also taken keen interest in Marathwada Auto Cluster project. MIT Aurangabad is the first Academic Institution to join & become the stakeholder of the ambitious Marathwada Auto Cluster project of the Chamber of Marathwada Industries and Agriculture (CMIA). The project aims at developing Infrastructural facilities for the local automobile industries with the help of the Union Government. Mr. Munish Sharma, Director General, MIT handed over the cheque of Rs.5 lacs towards the contribution of MIT for Marathwada Auto

Cluster project to CMIA Office Bearers. Mr. Mukund Bhogale, Chairman, Auto Cluster Committee, CMIA President, Mr. Sacheen Muley, CMIA Hon. Secretary Mr. Ashish Garde, Past President, Mr. Umesh Dashrathi along with Auto Cluster Committee members; Mr. Mukund Kulkarni, Prof. B.N. kshirsagar were present on this occasion.

Mr. Mukund Bhogale, Chairman, Auto Cluster Committee thanked the management of MIT for its decision of direct participation in Marathwada Auto Cluster project as this will result in better Industry-Academic-Institution Interaction. The MIT will use facilities at the Marathwada Auto Cluster for practical work. At the same time Marathwada Auto Cluster will utilize the MIT as a center for research and development as well as for utilizing manpower. The collaboration will be mutually beneficial. CMIA President Mr.Sacheen Muley informed that all the procedure for the purchase and possession of the land allotted to Marathwada Auto Cluster project would be completed during this week. CMIA Hon. Secretary Mr. Ashish Garde informed that all the documentation for Marathwada Auto Cluster project would be completed in time for the disbursal of IIUS grant by Govt. of India. CMIA team also visited various labs at MIT to understand the research and development work being carried out at MIT.
